

Doubles, and the ones beside them

Bridge course, unit 2

NAME

Learn the doubles first — the rest of the sheet is built on them. From there on, write down which double you used before you write the answer.

1. Double 8.

2. Double 7.

3. Double 5.

4. Double 6.

5. Double 4.

6. Double 9.

7. $6 + 8$. You know double 6 is 12. What is $6 + 8$?

8. $7 + 8$. You know double 7 is 14. What is $7 + 8$?

9. $8 + 9$. You know double 8 is 16. What is $8 + 9$?

10. $6 + 7$. You know double 6 is 12. What is $6 + 7$?

11. $5 + 7$. You know double 5 is 10. What is $5 + 7$?

12. $7 + 9$. You know double 7 is 14. What is $7 + 9$?

13. $4 + 5$. You know double 4 is 8. What is $4 + 5$?

14. $5 + 6$. You know double 5 is 10. What is $5 + 6$?
